i. KPaul Corporation- Wholesale Drug Distributor renewal and CSR Application—

Company owner Kevin Paul appeared before the full board. KPaul Corporation was granted a license in 2013 while going through the VAWD accreditation. The company has not complete the VAWD accreditation process because it has taken longer than they expected. They are waiting on paperwork from drug manufacturers. They ran out of time, and that is why their wholesale drug distributor license needs to be renewed. They are currently shipping only medical supplies. Indiana law requires VAWD accreditation in order to hold an Indiana Wholesale Drug Distributor license. They are also applying for a controlled substance registration so that they can obtain a DEA number and ship controlled substances.

A motion was made by Member Landis and Seconded by Member Wall to renewal KPaul Corporation’s Wholesale Drug Distributor license on probation for one year. Mr. Paul is required provide the Board with a timeline/ business plan to the Board within two weeks of the meeting. He is also to make quarterly appearances before the Board, where he will update them on where the company stands with their wholesalers, where they are in the VAWD accreditation process, and where they stand on their timeline/business plan. The company must have their VAWD accreditation completed within one year. The controlled CSR registration is denied. 4-0-0, Motion carried.
